Hi Dan,

Yes, please feel free to work on existing NEPA Compliance efforts in which we have had a significant role. Please ensure that Roshanna is also aware of what is happening so she can engage as needed or schedule allowing.

Thanks,

Ntale

Subject: Kampachi Fars Comment Response

Hey Ntale,

Kip just called and asked if I could help them with reviewing and sorting the comments received on the Kampachi Farms permit and EA. I told him I would check with you first to make sure you are ok with me working on this from a workload perspective.

I think I should be fine, unless you think otherwise.

Thanks

Dan
